HAUNTED

The professional actor/readers at demi-paradise return with another Halloween-tide selection of some of the greatest ghost stories ever written. An intimate listening experience for curious adults and children over 11.

The Phantom Coach by Amelia B Edwards. The misadventures of a huntsman lost on the snowbound north Pennines make for a Victorian gothic shocker.

Safe as Houses by Christine Poulson. In a smart home run by state of the art technology what happens when something, or someone, gets into the system?

Three Miles Up by Elizabeth Jane Howard. Clifford and John take a canal boat holiday but when the ill matched friends are joined by the charismatic and mysterious Sharon a very different voyage of discovery begins...
